

FCA Handbook Update Notice

Update Notice Release Date: 03/28/2008

[If you currently maintain a hard copy of the FCA Handbook and plan on continuing to do so, we will indicate when pending or revised documents need to be removed. Otherwise, update notices will summarize the addition of new material for the FCA Handbook.]

FCA Pending Regulations and Notices

Capital Adequacy--Basel Accord (HM-08-1) -- The Farm Credit Administration is extending the comment period on our ANPRM that seeks comments to facilitate the development of a proposed rule that would enhance our regulatory capital framework and more closely align minimum capital requirements with risks taken by System institutions. (Adopted 3/20/08 NV; published 3/26/08 (73 FR 15955); comment period ends 12/31/08) [Add this to your hard copy FCA Handbook by clicking on the link above and then printing.]
