Subpart A [Reserved]

Subpart B - Bank and Association Board of Directors

§ 611.210 Director qualifications and training.

(a) *Qualifications.*

(1) Each bank and association board of directors must establish and maintain a policy identifying desirable director qualifications. The policy must explain the type and level of knowledge and experience desired for board members, explaining how the desired qualifications were identified. The policy must be periodically updated and provided to the institution's nominating committee.

(2) Each Farm Credit institution board must have a director who is a financial expert. Boards of directors for associations with \$500 million or less in total assets as of January 1 of each year may satisfy this requirement by retaining an advisor who is a financial expert. The financial advisor must report to the board of directors and be free of any affiliation with the external auditor or institution management. A financial expert is one recognized as having education or experience in: accounting, internal accounting controls, or preparing or reviewing financial statements for financial institutions or large corporations consistent with the breadth and complexity of accounting and financial reporting issues that can reasonably be expected to be raised by the institution's financial statements.

(b) *Training.* Each bank and association board of directors must establish and maintain a policy for director training that includes appropriate implementing procedures. The policy must identify training areas supporting desired director qualifications. Each Farm Credit bank and association must require newly elected or appointed directors to complete director orientation training within 1 year of assuming their position and require incumbent directors to attend training periodically to advance their skills.

§ 611.220 Outside directors.

(a) *Eligibility, number and term.*

(1) *Eligibility.* No candidate for an outside director position may be a director, officer, employee, agent, or stockholder of an institution in the Farm Credit System. (2) *Number.* Stockholder-elected directors must constitute at least 60 percent of the members of each institution's board.

(i) Each Farm Credit bank must have at least two outside directors.

(ii) Associations with total assets exceeding \$500 million as of January 1 of each year must have

no fewer than two outside directors on the board. However, this requirement does not apply if it causes the percent of stockholder-elected directors to be less than 75 percent of the board.

(iii) Associations with \$500 million or less in total assets as of January 1 of each year must have at least one outside director.

(3) *Terms of office.* Banks and associations may not establish a different term of office for outside directors than that established for stockholder-elected directors.

(b) *Removal.* Each institution must establish and maintain procedures for removal of outside directors. When the removal of an outside director is sought before the expiration of the outside director's term, the reason for removal must be documented. An institution's director removal procedures must allow for removal of an outside director by a majority vote of all voting stockholders voting, in person or by proxy, or by a two-thirds majority vote of the full board of directors. The outside director subject to the removal action is prohibited from voting in his or her own removal action.

(b) No employee or agent of a Farm Credit institution shall take any part, directly or indirectly, in the nomination or election of members to the board of directors of a Farm Credit institution, or make any statement, either orally or in writing, which may be construed as intended to influence any vote in such nominations, or elections. This paragraph shall not prohibit employees or agents from providing biographical and other similar information or engaging in other activities pursuant to policies and procedures for nominations and elections. (c) No property, facilities, or resources of any System institution shall be used by any candidate for nomination or election or by any other person for the benefit of any candidate for nomination or election, unless the same property, facilities, or resources are simultaneously available and made known to be available for use by all declared candidates.

§ 611.325 Bank and association nominating committees.

Nominating committees must conduct themselves in the impartial manner prescribed by the policies and procedures adopted by their institution under § 611.320.

(a) Composition. The voting stockholders of each bank and association must elect a nominating committee of no fewer than three members. No individual may serve on a nominating committee who, at the time of selection to or during service on a nominating committee, is an employee, director, or agent of that bank or association. A nominating committee member may not be a candidate for election to the board in the same election for which the committee is identifying nominees.

(b) Responsibilities. It is the responsibility of each nominating committee to identify, evaluate, and nominate candidates for stockholder election to a bank or association board of directors.

(1) Each nominating committee must nominate individuals whom the committee determines meet the eligibility requirements to run for director positions. The committee must endeavor to assure representation from all areas of the institution's territory and as nearly as possible all types of agriculture practiced within the territory.

(2) The nominating committee must evaluate the qualifications of the director candidates. The evaluation process must consider whether there are any known obstacles preventing a candidate from performing the duties of the position.

(3) Each committee must nominate at least two candidates for each director position being voted on by stockholders. If two nominees cannot be identified, the nominating committee must provide written explanation to the existing board of the efforts to locate candidates or the reasons for disqualifying any other candidate that resulted in fewer than two nominees.

(c) Resources. Each bank and association must provide its nominating committee reasonable access to administrative resources in order for the committee to perform its duties. Banks and associations must, at a minimum, provide their nominating committees with a current list of stockholders, the most recent bylaws, the current director qualifications policy, and a copy of the policies and procedures that the bank or the association has adopted pursuant to § 611.320(a) assuring impartial elections. On the request of the nominating committee, the institution must also provide a summary of the current board self-evaluation. The bank or association may require a pledge of confidentiality by committee members prior to releasing evaluation documents.

[71 FR 5762, Feb. 2, 2006]

§ 611.330 Confidentiality in voting.

(a) No bank or association may use signed ballots in stockholder votes. Each bank and association must adopt policies and procedures to ensure that all information and materials regarding how or whether an individual stockholder has voted remain confidential,

including with respect to the institution, its directors, stockholders, or employees, or any other person except:

- (1) An independent third party tabulating the vote; or
- (2) The Farm Credit Administration.

(b) A bank or association may use balloting procedures, such as an identity code on the ballot, that can be used to identify how or whether an individual stockholder has voted only if the votes are tabulated by an independent third party. In weighted voting, the votes must be tabulated by an independent third party. An independent third party that tabulates the votes must certify in writing that such party will not disclose to any person (including the institution, its directors, stockholders, or employees) any information about how or whether an individual stockholder has voted, except that the information must be disclosed to the Farm Credit Administration if requested.

(c) Once a bank or association receives a ballot, the vote of that stockholder is final, except that a stockholder may withdraw a proxy ballot before balloting begins at a stockholders' meeting.

(d) A bank or association may give a stockholder voting by proxy an opportunity to give voting discretion to the proxy of the stockholder's choice, provided that the proxy is also a stockholder eligible to vote.

(b) Bank and association procedures must assure that ballots and proxy ballots are provided only to stockholders who are eligible to vote.

(c) Ballots and proxy ballots must be safeguarded before the time of distribution or mailing to voting stockholders and after the time of receipt by the bank or association until disposal. In an election of directors, ballots, proxy ballots and election records must be retained at least until the end of the term of office of the director. In other stockholder votes, ballots, proxy ballots, and records must be retained for at least 3 years after the vote.

(d) The voting procedures of each institution must provide for the establishment of a tellers committee or other designated group of persons which must be responsible for validating ballots and proxies and tabulating voting results. An institution and its officers, directors, and employees may not make any public announcement of the results of a stockholder vote before the tellers committee or other designated persons have validated the results of the vote.

Adjustments will be made to the bank director statutory compensation limit beginning from October 28, 1992 (the date of enactment of the Farm Credit Banks and Associations Safety and Soundness Act of 1992). Additionally, each year the FCA will distribute a booklet to all FCS banks that communicates the CPI adjusted bank director statutory compensation limit.

(c)(1) A Farm Credit bank is authorized to pay a director up to 30 percent more than the statutory compensation limit in exceptional circumstances where the director contributes extraordinary time and effort in the service of the bank and its shareholders.

(2) Banks must document the exceptional circumstances justifying additional director compensation. The documentation must describe:

(i) The exceptional circumstances justifying the additional director compensation, including the extraordinary time and effort the director devoted to bank business; and

(ii) The amount and the terms and conditions of the additional director compensation.

(d) Each bank board shall adopt a written policy regarding compensation of bank directors. The policy shall address, at a minimum, the following areas:

(1) The activities or functions for which attendance is necessary and appropriate and may be compensated, except that a Farm Credit System bank shall not compensate any director for rendering services on behalf of any other Farm Credit System institution or a cooperative of which the director is a member, or for performing other assignments of a non-official nature;

(2) The methodology for determining each director's rate of compensation; and

When the bank approves the request to merge or consolidate it shall notify the associations and the Farm Credit Administration of its approval together with the reasons for its approval and any supporting analysis the bank deems appropriate. The associations shall jointly submit the proposal together with required documentation to the Farm Credit Administration for preliminary approval.

(c) Upon receipt of an association merger or consolidation request, the Farm Credit Administration shall review the request and either deny or give its preliminary approval to the request. When a request is denied, written notice stating the reasons for the denial shall be transmitted to the associations and a copy provided to the bank. When a request is preliminarily approved, written notice of the preliminary approval shall be given to the associations and a copy provided to the bank. The meeting shall be called on written notice to each stockholder entitled to vote on the transaction, and held in accordance with the terms of each association's bylaws. The affirmative vote of a majority of the voting stockholders of each association present and voting or voting by written proxy at a meeting at which a quorum is present shall be required for stockholder approval of a merger or consolidation proposal.

(4) A brief statement by the boards of directors of the constituent associations setting forth the basis for the boards' recommendation on the merger or consolidation.

(5) A description of any agreement or arrangement between a constituent association and any of its officers relating to employment or termination of employment and arising from the merger or consolidation.

(9) A presentation for each constituent association regarding its policy on accounting for loan performance, together with the number and dollar amount of loans in all performance categories, including those categorized as high-risk assets.

(10) Information of each constituent association concerning the amount of loans charged off in each of the 2 fiscal years preceding the date of the balance sheet, the current year-to-date net chargeoff amount, and the balance in the allowance for loan losses account and a statement regarding whether, in the opinion of management, the allowance for loan losses is adequate to absorb the risk currently existing in the loan portfolio. This information may be appropriately included in the footnotes to the financial statements.

This requirement can be satisfied by including the materials contained in the management discussion and analysis of each institution's most recent annual report.

A pro forma summary of earnings for the continuing or consolidated association presented as if the merger or consolidation had been effective at the beginning of the interim period between the end of the last fiscal year and the date of the balance sheets.

(17) A description of the type and dollar amount of any financial assistance that has been provided during the past year or will be provided by the supervising bank or other party to assist the constituent or the continuing or new association(s), the conditions on which financial assistance has been or will be extended, the terms of repayment or retirement, if any, and the impact of the assistance on the subject association(s) or the stockholders.

(18) A presentation for each constituent association of interest rate comparisons for the last 2 fiscal years preceding the date of the balance sheet, together with a statement of the continuing or new association's proposed interest rate and fee programs, interest collection policies, capitalization rates, dividends or patronage refunds, and other factors that would affect a borrower's cost of doing business with the continuing or new association. Where agreement has not been reached on such matters, current related information shall be presented for each constituent association.

(19) A description for each constituent association of any event subsequent to the date of the financial statements, but prior to the merger or consolidation vote, that would have a material impact on the financial condition of the constituent or continuing or new association(s).

(20) A statement of any other material fact or circumstance that a stockholder would need in order to make an informed decision on the merger or consolidation proposal, or that is necessary to make the required disclosures not misleading.

(21) Where proxies are to be solicited, a form of written proxy, together with instructions on the purpose and authority for its use, and the proper method for signature by the stockholder.

(f) No bank or association, or director, officer, or employee thereof, shall make any untrue or misleading statement of a material fact, or fail to disclose any material fact necessary under the circumstances to make statements made not misleading, to a stockholder of any association in connection with an association merger or consolidation.

(g) Upon approval of a proposed merger or consolidation by the stockholders of the constituent associations, a certified copy of the stockholders' resolution shall be forwarded to the Farm Credit Administration. Each constituent association shall notify its stockholders not later than 30 days after the stockholder vote of the final results of the vote. If no petition is filed with the Farm Credit Administration to reconsider the vote, upon final approval by the FCA, the merger or consolidation shall be effective on the date specified in the merger agreement or at such later date as may be required by the Farm Credit Administration to grant final approval. Notice of final approval shall be transmitted to the associations and a copy provided to the affiliated bank.

(h) No director, officer, or employee of a bank or an association shall make an oral or written representation to any person that a preliminary or final approval by the Farm Credit Administration of an association merger or consolidation constitutes, directly or indirectly, either a recommendation on the merits of the transaction or an assurance concerning the adequacy or accuracy of any information provided to any association's

stockholders in connection therewith.

(i) The notice and accompanying information required under paragraph (e) of this section shall not be sent to stockholders until preliminary approval of the merger or consolidation has been given by the Farm Credit Administration.

(j) Where a proposed merger or consolidation will involve more than three associations, the Farm Credit Administration may require the supplementation, or allow the condensation or omission of any information required under paragraph (e) of this section in furtherance of meaningful disclosure to stockholders. Any waiver sought under this paragraph shall be obtained before preparation of the financial statements and accompanying schedules required under paragraph (e) of this section.

(k) The effective date of a merger or consolidation may not be less than 35 days after the date of mailing of the notification to stockholders of the results of the stockholder vote, or 15 days after the date of submission to the Farm Credit Administration of all required documents for the Agency's consideration of final approval, whichever occurs later. If a petition for reconsideration is filed within 35 days after mailing of the notification to stockholders of the results of the stockholder vote, the constituent institutions must agree on a second effective date to be used in the event the merger or consolidation is approved on reconsideration. The second effective date may not be less than 60 days after stockholder notification of the results of the first vote, or 15 days after the date of the reconsideration vote, whichever occurs later.

Subpart H - Rules for Inter-System Fund Transfers

§ 611.1130 Inter-System transfer of funds and equities.

(a) Section 5.17(a)(6) of the Act authorizes the FCA to regulate the borrowing, repayment, and transfer of funds and equities between institutions of the System, including banks, associations, and service organizations organized under the Act. This section sets forth the circumstances and procedures under which the FCA may direct such a transfer of

funds and equities based on its determination with respect to the financial condition of one or more institutions of the System. For purposes of this section, the term "bond" refers to long-term notes, bonds, debentures, or other similar obligations, or short-term discount notes issued by one or more banks pursuant to section 4.2 of the Act.

(b) The FCA may direct a transfer of funds or equities by one or more banks of the System to another bank of the System where it determines that:

(1) The receiving institution will not be able to make payments of principal or interest on bonds for which it is primarily liable within the meaning of section 4.4(a) of the Act; or

(2) The common or preferred stock, participation certificates, or allocated equities of the receiving institution have a book value less than their par or stated values; or

(3) The total bonds outstanding for which the receiving institution is primarily liable exceed 20 times the combined capital and surplus accounts of the bank; or

(4) Based on application to it of one or more of the following ratios, the receiving institution is not financially viable in that it will not be able to continue to extend new or additional credit or financial assistance to its eligible borrowers:

(i) The ratio of stock to earned net worth (including legal reserve, unallocated and reserved surplus, undistributed earnings, and allowance for losses) exceeds 2 to 1;

(ii) The ratio of the outstanding bonds to capital and surplus exceeds 15 to 1;

(iii) Nonearning assets (any noninterest-bearing assets, including but not limited to cash, noninterest earning loans, net fixed assets, other property owned, accrued interest receivable, and accounts receivable) exceed 15 percent of total assets;

(iv) Lendable net worth (interest-earning assets less interest-bearing liabilities) is zero or less.

(c) The FCA may direct a transfer of funds or equities between two or more Federal land bank associations or two or more production credit associations in district where it determines that such transfer:

(1) Is necessary to provide financial support to the district bank in which those associations are stockholders based on application of the criteria to the bank as set forth in paragraph (b) of this section; or

(2) Is necessary to provide financial support to one or more other like associations in the district based on application of the criteria set forth in paragraphs (b)(2) or (b)(4) of this section to the associations, provided that in applying paragraph (b)(4)(ii) of this section the ratio of outstanding indebtedness to capital and surplus of the receiving association(s) shall not exceed 9 to 1; or

(3) Is an integral part of a plan that has been adopted by other institutions of the System, and approved by the FCA, under which those institutions will extend financial assistance to the district bank in which those associations are stockholders.

(d) A direction by the FCA for a transfer of funds or equities pursuant to this section shall be signed by the Chairman and shall establish the amount, timing, duration, repayment, and other terms of assessments necessary to accomplish such transfer, taking into consideration the financial condition of each institution to be assessed. Where the FCA directs a transfer of funds or equities between associations under paragraph (c)(1) or (2) of this section, it may authorize the district bank in which such associations are stockholders to accomplish the necessary assessments through debits and credits to the accounts of the bank.

§ 611.1210 Advance notices--commencement resolution and notice to equity holders.

(a) Adoption of commencement resolution. Your board of directors must begin the termination process by adopting a commencement resolution stating your intention to terminate Farm Credit status under section 7.10 of the Act. Immediately after you adopt the commencement resolution, send a certified copy by overnight mail to us and to the Farm Credit System Insurance Corporation (FCSIC). If your institution is an association, also send a copy to your affiliated bank. If your institution is a bank, also send a copy to your affiliated associations, the other Farm Credit banks, and the Federal Farm Credit Banks Funding Corporation (Funding Corporation).

(b) Advance notice. Within 5 business days after adopting the commencement resolution, you must:

- (1) Send us copies of all contracts and agreements related to the termination.
- (2) Subject to paragraph (b)(2)(ii) of this section:
 - (i) Send an advance notice to all equity holders stating you are taking steps to terminate System status. Immediately upon mailing the notice to equity holders, you must also place it in a prominent location on your Web site. The advance notice must describe the following:
 - (A) The process of termination;
 - (B) The expected effect of termination on borrowers and other equity holders, including the effect on borrower rights and the consequences of any stock retirements before termination;
 - (C) The type of charter the successor institution will have; and
 - (D) Any bylaw creating a special class of borrower stock and participation certificates under paragraph (f) of this section.
 - (ii) Send us a draft of the advance notice by facsimile or electronic mail before mailing it to your equity holders. If we have not contacted you within 2 business days of our receipt of the draft notice

regarding modifications, you may mail the notice to your equity holders.

(c) *Bank negotiations on joint and several liability.* If your institution is a terminating bank, within 10 days of adopting the commencement resolution, your bank and the other Farm Credit banks must begin negotiations to provide for your satisfaction of liabilities (other than your primary liability) under section 4.4 of the Act. The Funding Corporation may, at its option, be a party to the negotiations to the extent necessary to fulfill its duties with respect to financing and disclosure. The agreement must comply with the requirements in § 611.1270(c).

(d) *Disclosure to loan applicants and equity holders after commencement resolution.* Between the date your board of directors adopts the commencement resolution and the termination date, you must give the following information to your loan applicants and equity holders:

(1) For each loan applicant who is not a current stockholder, describe at the time of loan application:

(i) The effect of the proposed termination on the prospective loan; and

(ii) Whether, after the proposed termination, the borrower will continue to have any of the borrower rights provided under the Act and regulations.

(2) For any equity holders who ask to have their equities retired, explain that the retirement would extinguish the holder's right to exchange those equities for an interest in the successor institution. In addition, inform holders of equities entitled to your residual assets in liquidation that retirement before termination would extinguish their right to dissent from the termination and have their equities retired.

(e) *Terminating bank's right to continue issuing debt.* Through the termination date, a terminating bank may continue to participate in the issuance of consolidated and System-wide obligations to the same extent it would be able to participate if it were not terminating.

(f) *Special class of stock.* Notwithstanding any requirements to the contrary in § 615.5230(b) of this chapter, you may adopt bylaws providing for the issuance of a special class of stock and participation certificates between the date of adoption of a commencement resolution and the termination date. Your voting stockholders must approve the special class before you adopt the commencement resolution. The equities must comply with section 4.3A of the Act and be identical in all respects to existing classes of equities that are entitled to the residual assets of the institution in a liquidation, except for the value a holder will receive in a termination. In a termination, the holder of the special class of stock receives value equal to the lower of either par (or face) value, or the value calculated under § 611.1280(c) and (d). A holder must have the same right to vote (if the equity is held on the voting record date) and to dissent as holders of similar equities issued before the commencement resolution. If the termination does not occur, the special classes of stock and participation certificates must automatically convert into shares of the otherwise identical equities.

[71 FR 44421, Aug. 4, 2006]

§ 611.1211 Special requirements.

(a) *Special assessments, analyses, studies, and rulings.* At any time after we receive your commencement resolution, and as we deem necessary or useful to evaluate your proposal, we may require you to engage independent experts, acceptable to us, to conduct assessments, analyses, or studies, or to request rulings, including, but not limited to:

(1) Assessments of fair value;

(2) Analyses and rulings on tax implications; and

(3) Studies of the effect of your proposal on equity holders (including the effect on holders in their capacity as borrowers), the System, and other parties.

(b) *Informational meetings.* After the advance notice, but before the stockholder vote, we may require you to hold regional or local informational meetings in convenient locations, at convenient times, and in a manner conducive to accommodating all equity holders that wish to attend, to discuss equity

holder issues and answer questions. These meetings are subject to the plain language requirements of § 611.1217(b) regarding balanced statements.

(b) To rely on this section, you must include the following legend in each communication in a prominent location:

Equity holders should read the plan of termination that they have received or will receive (as appropriate) because it contains important information, including an enumerated statement of the anticipated benefits and potential disadvantages of the proposal.

(c) All your written communications and all written communications by your directors, employees, and agents in connection with or relating to the proposed termination or any related transactions must be filed with us under this section on or before the date of first use.

(d) We will require you to correct communications that we deem are misleading or inaccurate.

(e) In addition to the filings we require under paragraph (c), we may require you to file timely any written communications you have knowledge of that are made by any other participants or their agents in connection with or related to the proposed termination or to any transaction related to the proposed termination.

(f) An immaterial or unintentional failure to file or a delay in filing a written communication described in this section will not result in a violation of this section, as long as:

(1) A good faith and reasonable effort was made to comply with the filing requirement; and

(2) The written communication is filed as soon as practicable after discovery of the failure to file.

(g) Communications that exist in electronic form must be filed electronically with the FCA as we direct. For communications that do not exist in electronic form, you must timely notify us by electronic mail and send us a copy by regular mail.

(h) You do not need to file a written communication that does not contain new or different information from that which you have previously publicly disclosed and filed under this section.

[71 FR 44421, Aug. 4, 2006]

(2) Documents you submit to us or file with us under § 611.1215; and

(3) Documents you submit to us under section 7.11 of the Act that are related directly or indirectly to the proposed termination, including but not limited to contracts entered into in connection with or relating to the proposed termination and any related transactions.

(b) We will not post confidential information on our Web site and will not require you to post it on your Web site.

(c) You may request that we treat specific information as confidential under the Freedom of Information Act, 5 U.S.C. 552 (see 12 CFR part, 602 subpart B). You should draft your request for confidential treatment narrowly to extend only to those portions of a document you consider to be confidential. If you request confidential treatment for information that we do not consider to be confidential, we may post that information on our Web site after providing notice to you. On our own initiative, we may determine that certain information should be treated as confidential and, if so, we will not make that information public.

(b) Directors' right to obtain independent advice. One or more directors of a terminating institution or an institution that is considering terminating have the right to obtain independent legal and financial advice regarding the proposed termination and related transactions. The institution must pay for such advice and related expenses as are reasonable in light of the circumstances. A request by a director or directors for the institution to pay such expenses cannot be denied unless the board of directors, by at least a two-thirds vote of the full board (the total number of current directors), denies the request. The institution must act on any request in a timely manner. For any denial of payment, the board must provide notice to the FCA within 1 business day of the denial, fully document the reasons for such a denial, and ensure that the institution discloses the nature of the request and the reasons for any denial to the terminating institution's equity holders in the plan of termination.

Neither the institution nor any director, officer, employee, or agent may make any untrue or misleading statement of a material fact, or fail to disclose any material fact, to the FCA or a current or prospective equity holder about the proposed termination and any related transactions.

(b) Representations regarding FCA approval. Neither the institution nor any director, officer,

employee, or agent may make an oral or written representation to anyone that our approval of the plan of termination or the termination is, directly or indirectly, either a recommendation on the merits of the proposal or an assurance that the information you give to your equity holders is adequate or accurate.

[71 FR 44422, Aug. 4, 2006]

§ 611.1220 Termination resolution.

No more than 1 week before you submit your plan of termination to us, your board of directors must adopt a termination resolution stating its support for terminating your status as a System institution and authorizing: (a) Submission to us of a plan of termination and other required submissions that comply with § 611.1223; and

(b) Submission of the plan of termination to the voting stockholders if we approve the plan of termination under § 611.1230 or, if we take no action, after the end of our approval period.

If a majority of the voting stockholders voting in person or by proxy vote against the termination, the termination may not take place.

(c) *Stockholder list and expenses.* You must, at your expense, timely give stockholders who request it a list of the names and addresses of stockholders eligible to vote in the reconsideration vote. The petitioners must pay all other expenses for the petition. You must pay expenses that you incur for the reconsideration vote.

(3) Any additional information that is required under this subpart, that we request or that your board of directors wishes to submit in support of the application.

§ 611.1247 FCA review and approval--termination.

(a) *FCA action on application.* After we receive the termination application, we will review it and either approve or disapprove the termination.

(b) *Basis for disapproval.* We will disapprove the termination if we determine that there are one or more appropriate reasons for disapproval consistent with our authorities under the Act and our regulations. We will inform you of our reason(s) for disapproval in writing.

(c) *Conditions of FCA approval.* We will approve your termination application only if:

(1) Your stockholders have voted in favor of termination in the termination vote and in any reconsideration vote;

(2) You have given us executed copies of all contracts, agreements, and other documents submitted under §§ 611.1221 and 611.1223;

(3) You have paid or made adequate provision for payment of debts, including responsibility for any contingent liabilities, and for retirement of equities;

(4) A Federal or State chartering authority has granted a new charter to the successor institution;

(6) You have fulfilled any condition of termination we impose.

(d) *Effective date of termination.* If we approve the termination, we will revoke your charter, and the termination will be effective on the date that we provide, but no earlier than the last to occur of:

(1) Fulfillment of all conditions listed in or imposed under paragraph (c) of this section;

(2) Your proposed termination date;

(3) Ninety (90) days after we receive your termination application described in § 611.1246; or

(4) Fifteen (15) days after any reconsideration vote.

§ 611.1250 Preliminary exit fee estimate.

(a) *Preliminary exit fee estimate—terminating association.* You must provide a preliminary exit fee estimate to us when you submit the plan of termination under § 611.1221

. Calculate the preliminary exit fee estimate in the following order:

(1) Base your exit fee calculation on the average daily balances of assets and liabilities for the 12-month period as of the quarter end immediately before the date you send us your plan of termination.

(2) Any amounts we refer to in this section are average daily balances unless we specify that they are not. Amounts that are not average daily balances will be referred to as “dollar amount.”

(3) Compute the average daily balances based on financial statements that comply with GAAP. The financial statements, as of the quarter end immediately before the date you send us your plan of termination, must be independently audited by a qualified public accountant. We may, in our discretion, waive the audit requirement if an independent audit was performed as of a date less than 6 months before you submit the plan of termination.

(4) Make adjustments to assets as follows:

(i) Add back expenses you have incurred related to termination. Related expenses include, but are not limited to, legal services, accounting services, tax services, studies, auditing, business planning, equity holder meetings, and application fees for the termination and reorganization. Do not add back to assets expenses related to a requirement by the FCA to engage independent experts to conduct assessments, analyses, or studies, or to request rulings that solely address the impact of the termination on the System or parties other than the terminating institution and its stockholders.

(ii) Subtract the dollar amount of estimated current and deferred tax expenses, if any, due to the termination.

(iii) Add the dollar amount of estimated current and deferred tax benefits, if any, due to the termination.

(iv) Adjust for the dollar amount of significant transactions you reasonably expect to occur between the quarter end before you file your plan of termination and date of termination. Examples of these transactions include, but are not limited to, gains or losses on the sale of assets, retirements of equity, loan repayments, and patronage distributions. Do not make adjustments for future expenses related to termination, such as severance or special retirement payments, or stock retirements to dissenting stockholders and Farm Credit institutions.

(5) Subtract from liabilities any liability that we treat as regulatory capital under the capital or collateral requirements in subparts H and K of part 615 of this chapter.

(6) Make any adjustments we require under paragraph (c) of this section.

(7) After making these adjustments to assets and liabilities, subtract liabilities from assets. This is your preliminary total capital for purposes of termination.

(8) Multiply assets as adjusted above by 6 percent, and subtract this amount from preliminary

total capital. This is your preliminary exit fee estimate.

(b) *Preliminary exit fee estimate—terminating bank.*

(1) Affiliated associations that are terminating with you must calculate their individual preliminary exit fee estimates as described in paragraph (a) of this section.

(2) Base your exit fee calculation on the average daily balances of assets and liabilities for the 12-month period as of the quarter end immediately before the date you send us your plan of termination.

(3) Any amounts we refer to in this section are average daily balances unless we specify that they are not. Amounts that are not average daily balances will be referred to as “dollar amount.”

(4) Compute the average daily balances based on bank-only financial statements that comply with GAAP. The financial statements, as of the quarter end immediately before the date you send us your plan of termination, must be independently audited by a qualified public accountant. We may, in our discretion, waive this requirement if an independent audit was performed as of a date less than 6 months before you submit the plan of termination.

(5) Make adjustments to assets and liabilities as follows:

(i) Add back to assets the following:

(A) Expenses you have incurred related to termination. Related expenses include, but are not limited to, legal services, accounting services, tax services, studies, auditing, business planning, equity holder meetings, and application fees for the termination and reorganization. Do not add back to assets expenses related to a requirement by the FCA to engage independent experts to conduct assessments, analyses, or studies, or to request rulings that solely address the impact of the termination on the System or parties other than the terminating institution and its stockholders.

(B) Any specific allowance for losses, and a pro rata portion of any general allowance for loan losses, on direct loans to associations that you do not expect to incur before or at termination.

(ii) Subtract from your assets and liabilities an amount equal to your direct loans to your affiliated associations that are not terminating.

(iii) Subtract the following from assets:

(A) Equity investments in your institution that are held by nonterminating associations and that you expect to transfer to another System bank before or at termination. A nonterminating association’s investment consists of purchased equities, allocated equities, and a share of the bank’s unallocated surplus calculated in accordance with the bank’s bylaw provisions on liquidation. We may require a different calculation method for the unallocated surplus if we determine that using the liquidation provision would be inequitable to stockholders; and

(B) The dollar amount of estimated current and deferred tax expenses, if any, due to the termination.

(iv) Add the dollar amount of current and deferred estimated tax benefits, if any, due to the termination.

(v) Subtract from liabilities any liability that we treat as regulatory capital under the capital or collateral requirements in subparts H and K of part 615 of this chapter.

(vi) Adjust for the dollar amount of significant transactions you reasonably expect to occur between the quarter end before you file your plan of termination and date of termination. Examples of these transactions include, but are not limited to, retirements of equity, loan repayments, and patronage distributions. Do not make adjustments for future expenses related to termination, such as severance or special retirement payments, or stock retirements to dissenting stockholders and Farm Credit institutions.

(6) Make any adjustments we require under paragraph (c) of this section.

(7) After the above adjustments, combine your balance sheet with the balance sheets of your terminating associations after they have made the adjustments required in paragraph (a) of this section. Subtract liabilities from assets. This is your preliminary total capital estimate for purposes of termination.

(8) Multiply the assets of the combined balance sheet after the above adjustments by 6 percent. Subtract this amount from the preliminary total capital estimate of the combined balance sheet. The remainder is the preliminary exit fee estimate of the bank and terminating affiliated associations.

(9) Your preliminary exit fee estimate is the amount by which the preliminary exit fee estimate for the combined entity exceeds the total of the individual preliminary exit fee estimates of your affiliated terminating associations.

(c) *Adjustments.*

(1) We will review your account balances, transactions over the 3 years before the date of the termination resolution under § 611.1220, and any subsequent transactions. Our review will include, but not be limited to, the following:

- (i) Additions to or subtractions from any allowance for losses;
- (ii) Additions to assets or liabilities, or subtractions from assets or liabilities, due to transactions that are outside your ordinary course of business;
- (iii) Dividends or patronage refunds exceeding your usual practices;
- (iv) Changes in the institution's capital plan, or in implementing the plan, that increased or decreased the level of borrower investment;
- (v) Contingent liabilities, such as loss-sharing obligations, that can be reasonably quantified; and
- (vi) Assets, including real property and servicing rights, that may be overvalued, undervalued, or not recorded on your books.

(2) If we determine the account balances do not accurately show the value of your assets and liabilities (whether the assets and liabilities were booked before or during the 3-year look-back adjustment period), we will make any adjustments we deem necessary.

(3) We may require you to reverse the effect of a transaction if we determine that:

- (i) You have retired capital outside the ordinary course of business;
- (ii) You have taken any other actions unrelated to your core business that have the effect of changing the exit fee; or

(iii) You incurred expenses related to termination prior to the 12-month average daily balance period on which the exit fee calculation is based.

(4) We may require you to make these adjustments to the preliminary exit fee estimate that is disclosed in the information statement, the final exit fee calculation, and the calculations of the value of equities held by dissenting stockholders, Farm Credit institutions that choose to have their equities retired at termination, and reaffiliating associations.

[71 FR 44425, Aug. 4, 2006, as amended at 71 FR 76118, Dec. 20, 2006]

§ 611.1255 Exit fee calculation.

(a) *Final exit fee calculation—terminating association.* Calculate the final exit fee in the following order:

(1) Base your exit fee calculation on the average daily balances of assets and liabilities for the 12-month period preceding the termination date. Assume for this calculation that you have not paid or accrued the items described in paragraph (a)(4)(ii) and (iii) of this section.

(2) Any amounts we refer to in this section are average daily balances unless we specify that they are not. Amounts that are not average daily balances will be referred to as “dollar amount.”

(3) Compute the average daily balances based on financial statements that comply with GAAP. The financial statements, as of the termination date, must be independently audited by a qualified public accountant.

(4) Make adjustments to assets and liabilities as follows:

(i) Add back expenses related to the termination. Related expenses include, but are not limited to, legal services, accounting services, tax services, studies, auditing, business planning, payments of severance and special retirements, equity holder meetings, and application fees for the termination and reorganization. Do not add back to assets expenses related to a requirement by the FCA to engage independent experts to conduct assessments, analyses, or studies, or to request rulings that solely address

the impact of the termination on the System or parties other than the terminating institution and its stockholders.

(ii) Subtract from assets the dollar amount of current and deferred tax expenses, if any, due to the termination.

(iii) Add to assets the dollar amount of current and deferred tax benefits, if any, due to the termination.

(iv) Subtract from liabilities any liability that we treat as regulatory capital under the capital or collateral requirements in subparts H and K of part 615 of this chapter.

(v) Make the adjustments that we require under § 611.1250(c). For the final exit fee, we will review and may require additional adjustments for transactions between the date you adopted the termination resolution and the termination date.

(5) After making these adjustments to assets and liabilities, subtract liabilities from assets. This is your total capital for purposes of termination.

(6) Multiply assets by 6 percent, and subtract this amount from total capital. This is your final exit fee.

(b) *Final exit fee calculation—terminating bank.*

(1) The individual exit fees of affiliated associations that are terminating with you must be calculated as described in paragraph (a) of this section.

(2) Base your exit fee calculation on the average daily balances of assets and liabilities for the 12-month period preceding the termination date. Assume for this calculation that you have not paid or accrued the items described in paragraph (b)(5)(iii)(B) and (b)(5)(iv) of this section.

(3) Any amounts we refer to in this section are average daily balances unless we specify that they are not. Amounts that are not average daily balances will be referred to as “dollar amount.”

(4) Compute the average daily balances based on bank-only financial statements that comply with GAAP. The financial statements, as of the termination date, must be independently audited by a qualified public accountant.

(5) Make adjustments to assets and liabilities as follows:

(i) Add back the following to your assets:

(A) Expenses you have incurred related to termination. Related expenses include, but are not limited to, legal services, accounting services, tax services, studies, auditing, business planning, payments of severance and special retirements, equity holder meetings, and application fees for the termination and reorganization. Do not add back to assets expenses related to a requirement by the FCA to engage independent experts to conduct assessments, analyses, or studies, or to request rulings that solely address the impact of the termination on the System or parties other than the terminating institution and its stockholders.

(B) Any specific allowance for losses, and a pro rata share of any general allowance for losses, on direct loans to associations that are paid off or transferred before or at termination.

(ii) Subtract from your assets and liabilities your direct loans to affiliated associations that were paid off or transferred in the 12-month period before termination or at termination.

(iii) Subtract from your assets the following:

(A) Equity investments held in your institution by affiliated associations that you transferred at termination or during the 12 months before termination; and

(B) The dollar amount of current and deferred tax expenses, if any, due to the termination;

(iv) Add to assets, the dollar amount of estimated current and deferred tax benefits, if any, due to the termination.

(v) Subtract from liabilities any liability that we treat as regulatory capital (or that we do not treat as a liability) under the capital or collateral requirements in subparts H and K of part 615 of this chapter.

(vi) Make the adjustments that we require under § 611.1250(c). For the final exit fee, we will review and may require additional adjustments for transactions between the date you adopted the termination resolution and the termination date.

(6) After the above adjustments, combine your balance sheet with the balance sheets of terminating associations after making the adjustments required in paragraph (a) of this section.

(7) Subtract combined liabilities from combined assets. This is the total capital of the combined balance sheet.

(8) Multiply the assets of the combined balance sheet after the above adjustments by 6 percent. Subtract this amount from the total capital of the combined balance sheet. This amount is the combined final exit fee for your institution and the terminating affiliated associations.

(9) Your final exit fee is the amount by which the combined final exit fee exceeds the total of the individual final exit fees of your affiliated terminating associations.

(c) Payment of exit fee. On the termination date, you must:

(1) Deposit into an escrow account acceptable to us and the FCSIC an amount equal to 110 percent of the preliminary exit fee estimate, adjusted to account for stock retirements to dissenting stockholders and Farm Credit institutions, and any other adjustments we require.

(2) Deposit into an escrow account acceptable to us an amount equal to 110 percent of the equity you must retire for dissenting stockholders and System institutions holding stock that would be entitled to a share of the remaining assets in a liquidation.

(d) Pay-out of escrow. Following the independent audit of the institution's account balances as of the termination date, we will determine the amount of the final exit fee and the amounts owed to stockholders to retire their equities. We will then direct the escrow agent to:

(1) Pay the exit fee to the Farm Credit Insurance Fund;

(2) Pay the amounts owed to dissenting stockholders and Farm Credit institutions; and

(3) Return any remaining amounts to the successor institution.

(e) Additional payment. If the amount held in escrow is not enough to pay the amounts under paragraph (d)(1) and (d)(2) of this section, the successor institution must pay any remaining liability to the escrow agent for distribution to the appropriate parties. The termination application must include evidence that, after termination, the successor institution will pay any remaining amounts owed.

[71 FR 44427, Aug. 4, 2006, as amended at 71 FR 76118, Dec. 20, 2006]

§ 611.1260 Payment of debts and assessments--terminating association.

(a) General rule. If your institution is a terminating association, you must pay or make adequate provision for the payment of all outstanding debt obligations and assessments.

(b) No OFI relationship. If the successor institution will not become an OFI, you must either:

(1) Pay debts and assessments owed to your affiliated Farm Credit bank at termination; or

(2) With your affiliated Farm Credit bank's concurrence, arrange to pay any obligations or assessments to the bank after termination.

(c) Obligations to other Farm Credit institutions. You must pay or make adequate provision for payment of obligations to any Farm Credit institution (other than your affiliated bank) under any loss-sharing or other agreement.

[71 FR 44428, Aug. 4, 2006]

§ 611.1265 Retirement of a terminating association's investment in its affiliated bank.

(a) Safety and soundness restrictions. Notwithstanding anything in this subpart to the contrary, we may prohibit a bank from retiring the equities you hold in the bank if the retirement would cause the bank to fall below its regulatory capital requirements after retirement, or if we determine that the bank would be in an unsafe or unsound condition after

retirement.

(b) Retirement agreement. Your affiliated bank may retire the purchased and allocated equities held by your institution in the bank according to the terms of the bank's capital revolvment plan or an agreement between you and the bank.

(c) Retirement in absence of agreement. Your affiliated bank must retire any equities not subject to an agreement or revolvment plan no later than when you or the successor institution pays off your loan from the bank.

(d) No retirement of unallocated surplus. When your bank retires equities you own in the bank, the bank must pay par or face value for purchased and allocated equities, less any impairment. The bank may not pay you any portion of its unallocated surplus.

(e) Exclusion of equities from capital ratios. If another Farm Credit institution makes an agreement to retire equities you hold in that institution after termination, we may require that institution to exclude part or all of those equities from assets and capital when the institution calculates its capital and net collateral ratios under subparts H and K of part 615 of this chapter.

[71 FR 44428, Aug. 4, 2006]

§ 611.1270 Repayment of obligations--terminating bank.

(a) General rule. If your institution is a terminating bank, you must pay or make adequate provision for the payment of all outstanding debt obligations, and provide for your responsibility for any probable contingent liabilities identified.

(b) Satisfaction of primary liability on consolidated or System-wide obligations. After consulting with the other Farm Credit banks, the Funding Corporation, and the FCSIC, you must pay or make adequate provision for payment of your primary liability on consolidated or System-wide obligations in a method that we deem acceptable. Before we make a final decision on your proposal and as we deem necessary, we may consult with the other Farm Credit banks, the Funding Corporation, and the FCSIC.

(c) Satisfaction of joint and several liability and liability for interest on individual obligations.

(1) You and the other Farm Credit banks must enter into an agreement, which is subject to our approval, covering obligations issued under section 4.2 of the Act and outstanding on the termination date. The agreement must specify how you and your successor institution will make adequate provision for the payment of your joint and several liability to holders of obligations other than those obligations on which you are primarily liable, in the event we make calls for payment under section 4.4 of the Act. You and your successor institution must also provide for your liability under section 4.4(a)(1) of the Act to pay interest on the individual obligations issued by other System banks. As a part of the agreement, you must also agree that your successor institution will provide ongoing information to the Funding Corporation to enable it to fulfill its funding and disclosure duties. The Funding Corporation may, at its option, be a party to the agreement to the extent necessary to fulfill its duties with respect to financing and disclosure.

(2) If you and the other Farm Credit banks are unable to reach agreement within 90 days before the proposed termination date, we will specify the manner in which you will make adequate provision for the payment of the liabilities in question and how we will make joint and several calls for those obligations outstanding on the termination date.

(3) Notwithstanding any other provision in these regulations, the successor institution will be jointly and severally liable for consolidated and System-wide debt outstanding on the termination date (other than the obligations on which you are primarily liable). The successor institution will also be liable for interest on other banks' individual obligations as described in section 4.4(a)(1) of the Act and outstanding on the termination date. The termination application must include evidence that the successor institution will continue to be liable for consolidated and System-wide debt and for interest on other banks' individual obligations.

[71 FR 44428, Aug. 4, 2006]

§ 611.1275 Retirement of equities held by other System institutions.

(a) Retirement at option of equity holder. If your institution is a terminating institution, System institutions that own your equities have the right to require you to retire the equities on the termination date.

(b) Value of equity holders' interests. You must retire the equities in accordance with the liquidation provisions in your bylaws unless we determine that the liquidation provisions would result in an inequitable distribution to stockholders. If we make such a determination, we will require you to distribute the equity in accordance with another method that we deem equitable to stockholders. Before you retire any equity, you must make the following adjustments to the amount of stockholder equity as stated in the financial statements on the termination date:

- (1) Make deductions for any taxes due to the termination that have not yet been recorded;
- (2) Deduct the amount of the exit fee; and
- (3) Make any adjustments described under § 611.1250(c) that we may require as we deem appropriate.

(c) Transfer of affiliated association's investment. As an alternative to equity retirement, an affiliated association that reaffiliates with another Farm Credit bank instead of terminating with its bank has the right to require the terminating bank to transfer its investment to its new affiliated bank when it reaffiliates. If your institution is a terminating bank, at the time of reaffiliation you must transfer the purchased and allocated equities held by the association, as well as its share of unallocated surplus, to the new affiliated bank. Calculate the association's share before deduction of the exit fee as of the month end preceding the reaffiliation date (or the termination date if it is the same as the reaffiliation date) in accordance with the liquidation provisions of your bylaws, unless we determine that the liquidation provisions would result in an inequitable distribution. If we make such a determination, we will require you to distribute the association's share of your unallocated surplus in accordance with another method that we deem equitable to stockholders. Before you distribute any unallocated surplus, you must make the following adjustments to stockholder equity as stated in the financial statements as of the month end preceding the reaffiliation date (or the termination date if it is the same as the reaffiliation date):

- (1) Add back any taxes due to the termination, and the exit fee; and
- (2) Make any adjustments described under § 611.1250(c) that we may require as we deem appropriate.

(d) Prohibition on certain affiliations. No Farm Credit institution may retain an equity interest otherwise prohibited by law in a successor institution.

[71 FR 44428, Aug. 4, 2006]

§ 611.1280 Dissenting stockholders' rights.

(a) Definition. A dissenting stockholder is an equity holder (other than a System institution) in a terminating institution on the termination date who either:

- (1) Was eligible to vote on the termination resolution and voted against termination;
- (2) Was an equity holder on the voting record date but was not eligible to vote; or
- (3) Became an equity holder after the voting record date.

(b) Retirement at option of a dissenting stockholder. A dissenting stockholder may require a terminating institution to retire the stockholder's equity interest in the terminating institution.

(c) Value of a dissenting stockholder's interest. You must pay a dissenting stockholder according to the liquidation provision in your bylaws, except that you must pay at least par or face value

for eligible borrower stock (as defined in section 4.9A(d)(2) of the Act). If we determine that the liquidation provision is inequitable to stockholders, we will require you to calculate their share in accordance with another formula that we deem equitable.

(d) Calculation of interest of a dissenting stockholder. Before you retire any equity, you must make the following adjustments to the amount of stockholder equity as stated in the financial statements on the termination date:

- (1) Deduct any taxes due to the termination that you have not yet recorded;
- (2) Deduct the amount of the exit fee; and
- (3) Make any adjustments described under § 611.1250(c) that we may require as we deem

appropriate.

(e) Form of payment to a dissenting stockholder. You must pay dissenting stockholders for their equities as follows:

- (1) Pay cash for the par or face value of purchased stock, less any impairment;
- (2) For equities other than purchased equities, you may:

(i) Pay cash;

(ii) Cause or otherwise provide for the successor institution to issue, on the date of termination, subordinated debt to the stockholder with a face value equal to the value of the remaining equities. This subordinated debt must have a maturity date of 7 years or less, must have priority in liquidation ahead of all equity, and must carry a rate of interest not less than the rate (at the time of termination) for debt of comparable maturity issued by the U.S. Treasury plus 1 percent; or

(iii) Provide for a combination of cash and subordinated debt as described above.

(f) Payment to holders of special class of stock. If you have adopted bylaws under § 611.1210 (f), you must pay a dissenting stockholder who owns shares of the special class of stock an amount equal to the lower of the par (or face) value or the value of such stock as determined under § 611.1280(c) and (d).

(g) Notice to equity holders. The notice to equity holders required in § 611.1240(f) must include a form for stockholders to send back to you, stating their intention to exercise dissenters' rights. The notice must contain the following information:

(1) A description of the rights of dissenting stockholders set forth in this section and the approximate value per share that a dissenting stockholder can expect to receive. State whether the successor institution will require borrowers to be stockholders or whether it will require stockholders to be borrowers.

(2) A description of the current book and par value per share of each class of equities, and the expected book and market value of the stockholder's interest in the successor institution.

(3) A statement that a stockholder must return the enclosed form to you within 30 days if the stockholder chooses to exercise dissenters' rights.

(h) Notice to subsequent equity holders. Equity holders that acquire their equities after the termination vote must also receive the notice described in paragraph (g) of this section. You must give them at least 5 business days to decide whether to request retirement of their stock.

(i) Reconsideration. If a reconsideration vote is held and the termination is disapproved, the right of stockholders to exercise dissenters' rights is rescinded. If a reconsideration vote is held and the termination is approved, you must retire the equities of dissenting stockholders as if there had been no reconsideration vote.

§ 611.1285 Loan refinancing by borrowers.

(a) Disclosure of credit and loan information. At the request of a borrower seeking refinancing with another System institution before you terminate, you must give credit and loan information about the

borrower to such institution.

(b) *No reassignment of territory.* If, at the termination date, we have not assigned your territory to another System institution, any System institution may lend in your territory, to the extent otherwise permitted by the Act and the regulations in this chapter.

§ 611.1290 Continuation of borrower rights.

You may not require a waiver of contractual borrower rights provisions as a condition of borrowing from and owning equity in the successor institution. Institutions that become other financing institutions on termination must comply with the applicable borrower rights provisions in the Act and part 617 of this chapter.
