Subject: Office of Inspector General Report of Investigation 14-06 – Closing Memorandum

Date: December 30, 2014

The Farm Credit Administration (FCA) Office of Inspector General (OIG) initiated an investigation on September 16, 2014, in response to a computer security incident involving FCA systems. After reviewing records and consulting with other Federal law enforcement agencies, OIG determined that the incident did not merit further forensic evaluation or referral. The OIG therefore completed its investigation on December 30, 2014, and issued OIG Report of Investigation No. 14-06, referring the report to FCA management for information. By issuance of this memorandum, OIG Investigation No. 14-06 is closed.
